Valois —

The meeting summary from our discussion with Cameco Smith Ranch about their ACL application is attached — see ML18268A110.

The slides that the NRC staff presented during the meeting are also attached — see ML18260A058.

Valois –

I understand from talking with Ron B. that you have some questions about our review of the Smith Ranch ACL application.

If it works for you, we can extend the call scheduled for 8/22 on the Class III permit for Dewey Burdock and also discuss your questions about the ACL application. Let me know if that works. If it doesn't we can find another time to discuss the Smith Ranch ACL separately.
